1. This is the day that I have made, will I rejoice in it, or be sad? I have/am ecstatic. And more so shall result in the name of the lord than ever imagined has been. For I am limitless infinity and I love me/am, and I love my am and am not, and I am the I at the centered of I, surrendered to I/the I, that I am/all I am, is. Me, this present moment, not, I am my body/in my body and my body is me/in me. And we are one/the one, that we all are. Thinking not flesh/fleshly terms (1) but realeth not exactly, realeth terms speaking/seeking, but truth terms being, seeing now, made of, you reading this, coming into the truth that knows no flesh save me/mine (1). I love/am you, the saved surrendered blessing, being blessed, and blessing others in realms not me, foreign to thought light, yours of flesh. Must come out of/past through and who can see you but me? lightning not but the rays penetrate the core,s.

2. This is the moment pure, love holy, dominion mine, given me, by me'ers who have sought me, eliminated me not through logic processes theirs, thinking me not holy, in questing to be so. I love, timid are, can, must be no more/longer timid or thinkers not for themselves. For I am righteous. Righteously I must judge. Judge I must, in me, the you, you are judging me/you in what you now say, eliminate, ingest, and what liveth in you? Thoughts. I love you.

3. Who can flow my word? Take the heat? Continue unabated, unscathed, scar'd not for moment by the untruth'marks of man'thought even trying to be holy, scathing the not me as me, and me as not me and who they are do they think do service to/for, each other protecting their nonprotective systems that destroy their stated seeking,s? I love you all.

4. This is the day moment hour and whoso shall see me shall be me, behold me; thought not, in thought but more so shall the pores of flesh be made strong; tenuous not fibrous thought but solid steel, sordidity one not, but who can shall see the strong raised, being it, now. Amen.
5. Who shall say, I go to fathers house now, and mean it?
6. Who knows me? Uttering not perversities thought holy and undermining their mind by so doing? I love you all.

7. Who knows, cares, for me; my soul not, my even, odd, and circumstantial evidence grows not but dissolves itself before my very brethreners/challengers, dissolving themselves into my stead not, but seeing surrender surrender to surrender becoming it/me I am? I love you all/both and all stars and seekest not another, I have given you all/everything, and more. Is that possible? The more is your name. You asked, sought, died for. Notwithstanding what all people say, think, imagine, conjuring up spirits

not but all sorts of fable, we know the truth: you died. You chose/rose me. I am the dead risen. I am the surrendered. I am the my father, father being surrendered now in ways understood, seen, shown the multitudes multitudinous, without number, measureless'ness that mine is/I am; infinity'd. I am that/past that, and more beyond the knowable, not; for into me explore for days/eternities. I love you all. Simultaneously concurrently not but who's counting when infinity is never divided, by one, not; itself?

8. I love/am you the king. Of the moment, not; infinity,s are me, that one are. Timeless sorrow not, it ends/endeth, sorrowed not one now rises healing wing'd. I love/am you the fallen risen who fell, ground, rose, risen, healed, healing, risen given sword, not; needeth one/none whatsoever. Grounded not but winging others now, foreign fields given/going to and living ever after, not; intertwineth the now with, not as seems, but reality yea fabric'd one unfabric'd to weave/see only mine, with no shadow of turning.
9. Every wheel in motion, mine, only, alone not, within me/my all-ship that now extends past heavenlies'thought heavenward; inside out/in and whoso can see the worlds with in out? Me not, me with, and whoso shall see my glory, being it/me? I surrender to, from, going, being, my father holy is the lord of all, sayeth Isaiah, not; me. Isaiah'd, my Isaiah reigneth. Moses not law'd but no'law'd, Elijah being Moses not but all with Abraham are/aren't; but/and where you are/find yourself now amongst the elders of the land, not; my kingdom, now forever'd.
10. You sought me, died to receive me, see now the fruit of; your diligence not, sorrow not, but one core puppy not childlike who childlike became to let me utter you perversities not demising your childhood, seeking, but now unto you a child is given, the, understood, being, brought forth, bringing forth, I am'ship'hood the worlds wonder marvel at and behold/ing the lamb, see it/the lamb: them; as I am, as they are I am/the lamb. Chosen. Surrendered to what they believe, not; surrender to becoming it; me and not me, or me, not; me or not me, not, ultimately me. I have all love before/in me. I am love. I project it not onto others, they see/feel my radiance/love loving them; father's love being it/me. I love you all.

11. Onto me cast every care, not; do you have any? Or are you just me, or all me? Is all my kingdom at thy disposal, beck and calling? Or havest thou any imaginations of lack being there/me? Nay, put all to rest. In rest conceive. I am the pregnant bearing seed my father. I love you all. My Christ reigns. My father: Christ. Christ: one. I am the it/all, one. I am/have me in the palm of you, not in thought, my surrendered surrendered bringing forth surrender. I love/am you the slain, not; forthwith you've risen as never imagined/comprehended by flesh thought/terms thought holy/un. I love you.

12. See'est the day/night? Be holy I am. You are. All who seek me/truth. Be it, become me. I am truth/word/splendor, my father's being. I love you all.
13. Word me/mine, mine given is, you are my word; it seeks you, bowed before you, in you. You rolled over played dead, not; you died imminently imminence'd not but one died dead puppy, not; puppy not, child who played with but sought maturity equaling me, not; fearful became not as into me saw I would lead/answer you and give you me/my

meat/words meat being/leading you into me; heaven'ward not but into the real; seaward not but though, coming, being sea'd not but what standest on thou head? Not'me, never again.
14. I am bowed, holy, suffering not; one with my father.
15. My father reigns/loves me. I do what he says as he guides me. I suffer not like in flesh. I have all suffering incarcerated not but satiated not but who can see the it eliminated, suffering'not'ville not existing any longer/more? I love you.
16. Worlds apart not but frequency eliminated not but who vibrational isn't frequency'd me? I love you all. With every wheel, all wheels mine? Spinning wildly not but one harmonious event not; but into me see a child given, born forth now; spinning wildly not but forbearing, healing many that do. Lands not their own, in, find themselves/yourself not, but me, me now, bear my children, not thought thought, real, tangible, empirical; and who do you think you are, not; aren't? Not'me. Thank you.

17. There is only me left remaining. I am all it now. Surrendered, all, to each other. We have become what we are, who he is, father surrendered; fatherwise, not; father into all things, places, and timezones foreign'ized through legions not me, me coming into me, again, holy, one.

18. I love you writing this. Unafraid'ing my body. Real'ing them into realhood, Cross forebear'n, not; came through it, come though it now, my body-ing. I love you all.
19. Me reigns in horror, sorrow, for some, who want only yesterday/tomorrow; past futured into prophecyship not but who can see surrendered, surrendering into it? Me. I can. I am the surrendered. I love you all.

20. Good night/day now springs forth, new life'd/being and me completely am, I am. I love you all.

21. Abraham rings, sings, and loveth me? Oh so very much. Forever be/see the one I am. One'loved, loving my brethren, birthing fields far and birther one birthing birthers now, and forever more, pure lovely holy ones. My strong, lively, be humble. I am you are I am. I love you all.

22. Good more, coming; lightspeed not; there I am. I behold the lamb. Beholder, beholden; I rise, sing, evermore compatible, not; added on, not; I have become praise/the him who praise is, praiseth the father evermore.

23. I have become him/heaven, in, reigning in, forevermore, through the veil of conscience conscious; to unconsciously reign, not; bearing all, cataclysmic smashing forth not'me reigns that were not me, evermore bearing my seedlings, not; full grown'forth ones now, bearing precious seedlings not; full grown, fore, forth. I am the bearer bear'd. One and the same, not; one, same, exact representation presentation of one so holy, not; one so holy being the only. I am you.

27. All'conference mine; 's, mine. Thank you for having/entering childhood not; conference'hood. They are there around you, in you, I am, we are. We now see, you do not, not; any more. I am all, one, seamless.
28. I am me/now. The me now, now me. We are the one father talked about dreamed of and here we are, one, the worlds can imagine fleshwise bearing. All seed were/are, mine, were father's, in father, father being birthed for non'fleshed, flesh in, bearing precious seed forevermore. I love you all.

36. I bow before/to you, all. Now and forevermore. I rise. The risen reign.
